you never thought that you'd ever get caught  
with your hand up in the cookie jar  
playing spades with the devil  
now, boy, why'd you have to go and do that for?

see, you better stop your bluffing now  
you know they make up the rules  
you think you playing the game  
now, brother, you played the fool  
they gon' play you for a fool

now i lay me down to sleep  
i pray the lord my soul to keep  
and if i die before i wake  
must be a mistake, lord take me back

know it ain't right sometimes  
but we running all through my mind  
i know it ain't right  
don't believe them when they tell you that justice is  
blind

oh, there's something awful in the way  
you've been working all on my nerves  
and i've been thinking every day  
i'm gonna give them what they deserve  
they gon' get what they deserve

now i lay me down to sleep  
i pray the lord my soul to keep  
and if i die before i wake  
said, if i die before i wake  
well if i die before i wake  
it got to, got to be a mistake, lord take me back

now i lay me down to sleep  
i pray the lord my soul to keep  
and if i die before i wake  
i know it got to be a mistake, lord take me back

ooh, take me back  
whoa, lord take me back

ooh, you got to take me back

i don't need this, i don't deserve it  
it ain't my fault, ain't nobody perfect  
this ain't justice, and i didn't do it  
they just talking, but they can't prove it

gimme a chance, start over again  
all i want is a different end  
start it over, over again  
do it over again, do it over again, start it over again
