Every night you'll find your light  
In the sky you'll dream the FIREMAN

He's the Hero of fantasy  
He can show you the destiny  
He's the Hero of fantasy, your fantasy

Believe in FIREMAN

THE VOICE

When the evil's force invade world  
When a bad man destroys the peace  
Don't worry, you can call a friend  
Shout his name, FIREMAN.  
He'll arrive on wakes of fire  
He'll drive away the nightmare  
He'll become your best friend  
Shout his name, FIREMAN.
