Parker Peterson drove his car to the shore
Of Lake Michigan, won't be seen anymore
Tried to find a way out, tried to find a release
Found a door with a light, found a separate piece

From the Inside, out
I feel I'm burning alive
And from my head down
I feel I'm losing the fight

Julie Peterson cried for 22 weeks
Left her husband's grave, drove herself to the beach
Tried to find a new life, tried to find a new man
Told herself it was fine, told herself that she can

From the Inside, out
I feel I'm burning alive,
And from my head down
I feel I'm losing the fight

Why don't you turn around
Turn around to take it all out
Why don't you turn around
Turn around to take it all out
Why don't you turn around
Turn around to take it all out
Why don't you turn around
Turn around to take it all out

From the Inside, out
I feel I'm burning alive,
And from my head down
I feel I'm losing the fight
