i don't plan anything  
i'm trying to come home thoughts of  
you are always on my mind a runaway  
from problems my excuse when i am there  
you roll over once again i'm gone i'm old  
it's plain to see a life of tragedy save  
it for later that's what we always said what  
will that do for us tried to paint a picture  
of the time that we once shared you never

seemed to be so concerned story goes like  
this you say i'm almost never there independent  
is what you've always want an arm to hold on  
someone to sleep next to in the night rolling  
over once again i'm gone look through the  
backlog and index of thoughts this time  
it won't get to me.
