This is a sober I'm sorry; for holding on to you,  
I'd let my bottles hit my shoes.  
This is a sober I'm sorry for never letting go and  
getting, here, so low.

I know it's been a while since I've seen you through  
sober eyes,  
I swear I meant to.  
I'm sorry it's been so long since we've met.  
Cause I'm a different person when I'm slurring my  
words,  
But now that I'm clean, you're more beautiful than you  
ever were.

This is a sober I'm sorry; for holding on to you,  
I'd let my bottles hit my shoes.  
This is a sober I'm sorry for never letting go and  
getting, here, so low.

I know it's been a while since I've come through on  
anything,  
I swear I want to.  
You can hold me guilty or be oh so forgiving.  
But now I'm seeing clearly and you're all in my heart  
And if I could go back, I'd begin to stop it before it  
would ever start.

This is a sober I'm sorry; for holding on to you,  
I'd let my bottles hit my shoes.  
This is a sober I'm sorry for never letting go and  
getting, here, so low.

But right now I couldn't be sober, tonight, I'm done  
we're over.  
No. No. No. No.  
For this I couldn't be sober, and tonight I'm drunk we're  
over.  
No. No. No. No.

And now I'm seeing clearly and you're all in my heart  
And if I could go back I'd begin to stop it before it

would ever start.

Cause I'm a different person when I'm slurring my words.

But now that I'm clean, You're more beautiful than you ever were.

This is a sober I'm sorry; for holding on to you,  
I'd let my bottles hit my shoes.

This is a sober I'm sorry for never letting go and  
getting, here, so low.
