Hey Girly, What Are You Doing All Alone?  
No One Should Be Left Lonely On A Night Like This  
Especially Someone Like You With Those Lips and  
Those Eyes and That Hair.  
You're A Real Beautiful,  
Which Makes Me Quite Scared.  
If I Try Will You Care?  
Grant Me One Kiss,  
You Won't Regret It I Swear.

Hey Girly, On A Night Like This  
There Should Be Someone Like You  
For Someone Like Me To Kiss.  
Hey Girly, On A Night Like This  
There Should Be Someone Like You  
For Someone Like Me To Kiss.

Hey Girly, I've Dreaming About You Long,  
Don't Worry I Swear This Won't Be Wrong.  
I'm Nervous But I'm Nearing  
Did I Miss My First Opening For My Move?  
If I Stare, With The Touch Of Your Lips My Heart Will  
Burst And Blare

Hey Girly, On A Night Like This  
There Should Be Someone Like You  
For Someone Like Me To Kiss.  
Hey Girly, On A Night Like This  
There Should Be Someone Like  
You For Someone Like Me To Kiss.

Hey Girly, On A Night Like This  
There Should Be Someone Like You  
For Someone Like Me To Kiss.  
Hey Girly, On A Night Like This  
There Should Be Someone Like You  
For Someone Like Me To Kiss.
