She's A Scene Chick With Her Black And White Hair,
With A Side Kick, But She Really Doesn't Care.
It Makes Me So Sick From The Perfume That She Wears,
She's A Scene Chick I'm Glad She's Here.

She's A Scene Chick And She Likes To Go To Shows,
She's A Scene Chick And I Really Hope She Knows
If I Was With Her I Would Never Let Her Go
She's A Scene Chick, I'm Crazy For Her

She's A Scene Chick And She Thinks She's Got Game,
But She's Perfect And She's Driving Me Insane,
And She's Here Now And I'm Glad She Really Came
She's A Scene Chick I Can't Complain.

She's A Scene Chick And She Likes To Go To Shows,
She's A Scene Chick And I Really Hope She Knows
If I Was With Her I Would Never Let Her Go
She's A Scene Chick, I'm Crazy For Her

Listen, I'm Not Gonna Call You By Your Myspace Name,
That's Dumb. And Your Snakebites Hurt When I Kiss
You, It Sucks And Your Friends Are Bitches... Sorry

She's A Scene Chick, With A Piercing In Her Nose
Have You Seen It?
Man, I Think It's Kinda Gross.
It's Her Septum, All the Guys Seem to Drool
But To Me She Looks Like Stupid.

She's A Scene Chick And She Likes To Go To Shows,
She's A Scene Chick And I Really Hope She Knows
If I Was With Her I Would Never Let Her Go
She's A Scene Chick, I'm Crazy For Her

She's A Scene Chick And She Likes To Go To Shows,
She's A Scene Chick And I Really Hope She Knows
If I Was With Her I Would Never Let Her Go
She's A Scene Chick, I'm Crazy For Her.
