Why are you so cold?
You haven't moved in days.
I attempted to wake you, but my attempts didn't make
the grade.
Why are your eyes white instead of seductive brown?
Why are you losing color?
And your breath don't make a sound?
Kneeling here, I beg you, but still get no response.
I promise I'll go get it, just tell me what you want.
Your lips have lost their warmth;
I'm trying to stay sane.
I'm reaching for your hand as blood drips from your
veins.

Tell me you haven't gone.
Take me with you. Take me with you.
Tell me you haven't left.
Take me with you. Take me with you.
Say you're playing dead.
Take me with you. Take me with you.
Why'd you have to leave... (so soon)
Take me with you. Take me with you.

I know I've made mistakes, But you've literally let go.
I can't go on forever knowing you didn't know...
I'll be close behind, waiting in heaven's line,
Holding your hand til we part cause your sentence is
different than mine.

Tell me you haven't gone.
Take me with you. Take me with you.
Tell me you haven't left.
Take me with you. Take me with you.
Say you're playing dead.
Take me with you. Take me with you.
Why'd you have to leave... (so soon)
Take me with you. Take me with you.

Tell me you haven't gone.
Take me with you. Take me with you.
Tell me you haven't left.

Take me with you. Take me with you.
Say you're playing dead.
Take me with you. Take me with you.
Why'd you have to leave... (so soon)
Take me with you. Take me with you.
