The song starts with a dialogue between two men. One of them gets interrupted by a woman.

Do you think the end of the world is coming?

The preacher man said it's the end of time,  
he says that America's rivers are going dry, the  
interest is up, the stockmarket is down.  
You guys got to be carefull walking around here this  
late at night

Do you have change sir?

This.. No, we don't ma'm, I'm sorry...This, This, this is  
the perfect place to get jumped.

But do you think the end of the world is coming?

No, so says the preacher man, but I don't go by what he  
says.
