And it goes
Like this
How does it go?
A little like this
And it goes
Like this
How does it go?
A little like this

Sitting on my front porch I notice something strange
It's was a stray kid poorly groomed looked like he had
mange
Jumped up to question him from so far away
Got so close to him on this very bright and sunny day
Asked him what's his problem
But he just looked away
Brought him out a t shirt and asked him if he'd like to
stay
No he insisted I have a lot of things to do
I said like what? you got a home, food do you even go
to school?
Rudely he snapped back and tried gettin on my shit
I said bitch listen I'm nice but I can use my fists
So here it is a little lesson for you faggot wearing
dresses
I'll approach you with caution but
