Build your cages, pray for freedom  
Believe all your made up sages  
Sucked out from your social circle  
Is it worth the fifteen minutes?

Sacrifice everything you know you love  
The dream entices you to give yourself away  
Sacrifice everything you know you love  
You miss the things you hated long ago

Embellish your desired state  
Do you think it satiates?  
Sucked out from your social circle  
Is it worth the fifteen minutes?

Dreams are seldom what they seem  
Dreams are seldom what they seem

Sacrifice everything you know you love  
The dream entices you to give yourself away  
Sacrifice everything you know you love  
You miss the things you hated long ago

Sacrifice everything you know you love  
The dream entices you to give yourself away  
Sacrifice everything you know you love  
You miss the things you hated long ago  
Sacrifice everything you know you love  
You miss the things you hated long ago

Dreams are seldom what they seem  
Dreams are seldom what they seem
