(John Rzeznik/Glen Ballard)

There's so much more about you that you never let
them see
You turned away
But not to me
And I know how they tried to take you
Held you up and meant to break you down
But you can't be

For so long I tried to reach you
I know I'm almost there
I'm close enough for you to see

That you've been hiding in the shadows
Have you forgotten how we used to dream
well let me remind you
The light doesn't blind you at all
It just helps you see
Can you see

Yeah you have become
Yeah you have become beautiful

And I can't be the stranger
That's been sleeping in your bed just
Turn around and come to me
And I feel all the pain inside
And everything you've been denied you feel
It's all you feel

You've been hiding in the shadows
Have you forgotten how we used to dream
WELL Let me remind you
The light doesn't blind you at all
It JUST helps you see
Can you see

Yeah you have become
Yeah you have become beautiful
Yeah you have become

Yeah you have become beautiful

Brush back your hair and look around you
Feeling like the truth has found you here
You're here with me
Let love become the mirror
With no fear where you're from,
You have become
Yeah you have become, beautiful
