I hung your picture on the wall and that's all it is  
I break my fingers to make a call and that's all it is  
I know you're living way out west and I don't think that I  
confessed  
Everything I feel

You say you got no faith in things that you can't see  
Well I'm sorry I ain't there with you but you ain't here  
with me  
And I'm down in all my fears  
But I ain't crying no tears over you

Cause everything's wrong  
Well it's all right  
Everything's wrong  
Well it's all right

You said that this is crazy you're a half a world away  
Well I'm sitting and I'm thinking but I didn't know what  
to say  
So I said something I can't touch, I always want way too  
much  
Anyway

Cause everything's wrong  
Well it's all right  
Everything's wrong  
Well it's all right

I hung your picture on the wall but that's all it is  
I break my fingers to make a call and that's all it is  
I know you're living way out west  
Don't get me wrong I'm not impressed  
With you no more
