Old man Bear dropped a matchbook
Standard procedure couldn't walk
Ate a marzipan lemon drop
Invalidate the short stop
To left field out of the park
Always been that way
Too late to stop
The hammer dropped on aisle ten
"No way man, I don't do tens"
Pick up the produce make amends
Go back to London stay with friends
High Highs Low Lows
Belly full of hot taco
Do with me as you've done with them
Put a call in to the lawyer man
One day you're in one day you're gone
What follows you
Can't be undone
Hedonistic Fatalistic Bombastic Cataclysmic
Stick it, Stick it in your ear
So long mother, I'm out of here
