Just a girl
A girl like me
Trying so hard to be
Everyone she sees
Playing a game of make believe

Feeling blue
For what's she
Did with you
Mascara smears
Mixed in with tears
She dosen't
Know how
To breathe

Faked a smile
And wiped her eyes
Hides her tears
And hides her lies
Lips tremble
And hands shake
In her mind
That's all she can take

Feeling blue
For what she
Did with you
Mascara smears
Mixed in with tears
She dosen't
Know hoe
To breathe

Looks in the mirror
She stares at the wall
Notings clear
She feels so small
Just breathe
You'll get through it
Hold yourself tight
You can do it

(Breathe)

X3

Feeling blue

Did with you

Mascara smears

Mixed in with tears

Know how

To breathe

(She dosen't know how to breathe)

(Music)

Breathe
