I'm felling brave, and  
I don't know why,  
Everyday try to reach the sky,  
Somedays I try to fly or,  
Just jump real high

Normal steps for me,  
Like I'm not gonna instantly,  
But as long as I'm being me,  
If I fall, getting up is easy

Nobody's perfect I know  
Weather or not I say  
Uh-Oh  
And then I laugh out loud  
And for that I'm proud  
If I stop when I should go  
I just say  
Uh-Oh  
Learn something perfectly new,  
That we could do

Uh-Oh  
Uh-Oh

Don't know what I'ma do today,  
Hope it's fun, some miles away,  
When I'm done, I have things to say  
'Bout what we did  
And how I played,  
Something real cool,  
Always have fun things to do  
Learn a lot,  
Make new friends,  
Even a bunch of what we'll do

Nobody's perfect I know  
Weather or not I say  
Uh-Oh  
And then I laugh out loud  
And for that I'm proud

If I stop when I should go  
I just say  
Uh-Oh  
Learn something perfectly new,  
That we could do

Uh-Oh  
Uh-Oh

Nobody's perfect I know  
Weather or not I say  
Uh-Oh  
And then I laugh out loud and  
For that I'm proud  
If I stop when I should go  
I just say  
Uh-Oh  
Learn something perfectly new,  
That we could do

I just say Uh-Oh  
I just say Uh-Oh  
Uh-Oh  
(I just say)  
Uh-Oh

Learn something perfectly new,  
That we can do
