Every day brings change, And the world puts on a new face,
Certain things rearrange, And the world seems like a new place.
Secretly I've been trailing you, Like a Fox that preys on a Rabbit,
I had to get you, and so I knew, I had to learn all your ways and all your habits.
You're the catch that I was after, I looked up and I was in your arms,
And I know I was captured. What's this whole world coming to,
Things just ain't the same, Anytime the hunter gets captured by the game.
I had laid such a tender trap, Hoping you might fall into it,
But love hit me with a sudden slap, Just one of your kisses and baby I knew it.
My plan didn't work out like I thought, I had laid my trap for you,
But it seems, baby, I got caught. What's this whole world coming to,
Things just ain't the same, Anytime the hunter gets captured by the game.
You're the catch that I was after, I looked up and I was in your arms,
And I know I was captured. What's this whole world coming to,
Things just ain't the same, Anytime the hunter gets captured by the game.
(?) You're the catch that I was after, I looked up and I was in your arms,
And I know I was captured. What's this whole world coming to,
Things just ain't the same, Anytime the hunter gets captured by the game.
