Sitting up once again...In my bedroom  
Shaking hand holds ugly head...In my bedroom  
Wish I may wish I might...In my bedroom  
Have this wish I wish tonight...In my bedroom

[Chorus:]

At night when you turn out the light, think of me, smile  
and feel all right  
And when you lay your head down to sleep, may I be  
the one who fills your dreams...  
Are you lying wide awake?...In your bedroom  
Are you trying to fall asleep?...In your bedroom  
Cuz your not thinking about me...In your bedroom  
If you were you'd wish those thoughts would leave  
you...In your bedroom

[Chorus:]

At night when you turn out the light, you wonder what it  
was you thought you liked.  
And you ask yourself what did you see, In an idle  
hollow fool like me  
I'm not the one who fills my dreams...
