Cheap shot hocked straight to the eardrum
Is it some sick sign of affection?
Violated and singed with deceit
Disgust from my head to my hands to my feet
Your face it gives foul taste
Whether smiling crying or denying
I see your motives and you're charged with fraud by
me
So take the hint and leave
I loved you while he was in you in the shower
Did (in joy and ecstasy) your eyes begin to water?
And if I may stop by when you're living in the next town
ten years down the road
A good time for a dime and a crushed cigarette
making bets with your body on the avenue
Look into my eyes you say and you'll see nothing but
sincerity
Almost as if you've got some hope that you'll enlighten
me
You're a head case story
I loved you while he was in you in the shower
Did (in joy and ecstasy) your eyes begin to water?
I loved you while he was in you in the shower
Did (in joy and ecstasy)
Did (in joy and ecstasy)
Just trust me you said
Just trust me you said
Just trust me you said
Just trust me you said
I say no
I loved you while he was in you in the shower
Did (in joy and ecstasy) your eyes begin to water?
I loved you while he was in you in the shower
Did (in joy and ecstasy)
Did in joy
Did you enjoy
