So I waited till I was alone,
when I called you on the phone-
about to tell you that I love you so-
till you said you had to go.
Said you'd call me back at ten,
guess I'll never get to be your new boyfriend.
cause I waited up till ten-
you never called me back,
now just what should I do?
I said I'm sorry I've been acting weird.
You just wanted to get me off the line.
I said that I get nevous cause you're a girl.
But I guess that you just don't want to be mine.
So I camped out on my basement floor-
I didn't sleep in my bed so my back is sore.
telephone right by my side-
you once said you liked me but I guess you lied.

Like you did when you said you'd call me back.
I was so tired but I could not hit the sack.
I guess you got more important things to do,
then to talk to the guy who is in love with you.
I said I'm sorry I've been acting weird,
you just wanted to get me off the line.
I said that I get nervous cause you're a girl,
but I guess that you don't want to be mine.
now it's over and I don't want it to be the end
guess it's over, I don't want to be just friends
I guess it's over and you want to be alone
guess it's over, I don't want to be just friends
I guess it's over and you want to be alone
