've come a long, long way
from the way I was that day,
and I wonder, was I ever right? (was I ever right?)
It's been a year today
since you took my heart away,
and I wonder, why didn't I fight?
Why didn't I fight?
a long long way, a long long way
Why didn't I fight?
a long long way, a long long way

I'm leaving lights on
and leaving things behind
it's all I can seem to do for myself.

She says I am gone, (she says I am gone)
and he says party on, (he says party on)
and I say carry on
regardless of what they say.
Revenge and strife,
I can't live this life.
It's time for me to go on.
Revenge and strife,
I can't live this life.
It's time for me to go away.

Leaving, I'm gone.
and closing the door behind.
It's all I can seem to do.

I've come a long long way, from the way I was that day,
and I wonder (and I wonder, and I wonder)
It's been a year today,
since you took my heart away.
Was it worth it? (was it worth it? was it worth it?)
It's time for me to go away.

oooooh .. YEAH
