How long, how long as this been going on?
Don't you tell me that it's not.
Where did you go?
I want you know,
That it is too late, you've been caught.

What will I do,
With no one to run to?
I walk around with my head in the clouds.
I think you've had enough.

It won't be easy for me,
to fall in love again.
So how can you tell me, (oooh)
That this isn't love
When my heart is on fire?

How long, how long will I be holding on
To the ghost that you've become?
Where did you go?
Because I wan't you to know
that I am still standing here stunned.

When you're a fool,
Nobody loves you.
You walk around with your head in the clouds.
I think I've had enough.

It won't be easy for me,
to fall in love again.
So how can you tell me, (oooh)
That this isn't love
When my heart is on fire?

It won't be easy for me,
to fall in love again. (yeah yeah)
So how can you tell me,
That this isn't love
When my heart is on fire?

How long, how long has this been going on? (hey!)

How long, how long has this been going on? (hey!)
How long, how long has this been going on? (hey!)
How long, how long?

It won't be easy for me,
to fall in love again.
So how can you tell me, (oooh)
That this isn't love
When my heart is on fire?

It won't be easy for me, (no!)
to fall in love again.
So how can you tell me, (oooh)
That this isn't love
When my heart is on fire?

(On fire, yeah)
(It won't be easy for me)
