My name is Flabba Babba Wabba Jabba Noonga! I'm back!

Run, run, run, run, run, run, run Gordon! It's the policeman  
We gotta get up out of out this house, it's the policeman!  
Grab the bong, get my weed, it's the policeman!  
Move your hole, keep running from the policeman.

Find me out the front, puffin' on a bud  
Man, fuck these white cunts ay!  
I'm thinkin of getting mugged  
Talkin' shit, getting bashed cause I'm tipsy  
Gotta call me uncle Big Merv to come get me  
You can find me out the front, fighting every cunt  
Off my head and half drunk  
I lit the cigarette butts  
I never went to school so I can't talk much  
But please white fella spare a dollar for the bus

When I roll up to your house I'm only wearing one shoe  
Leave a couple hours later, somehow I got two  
It's like every single day I'm getting blazed off the buds  
Then I'm stealing M&M's from the pub and getting busted  
Man they nothing change call my neice up  
Tell her I'm getting horny and I need a good fuck at Mirrabooka  
Sniffin' glue and getting caught and locked up from the pigs  
Let me go I gotta get home to 14 kids  
9 sisters, 12 cousins and I'm fucking the lot  
Getting high, sittin, sniffin' freshly painted bus stops  
I spent my last dollar now I'm broke as a joke bro  
Gotta work today, do I bet for money or smokes though?  
Faster when it's said you think it's a crime  
I get my meals from Centrelink, I know most of the time  
The cops conviscated my stache, the bong and the drugs

I don't fit the dress standard, can't get into the club

Find me out the front, puffin' on a bud  
Man, fuck these white cunts ay!  
I'm thinkin of getting mugged  
Talkin shit, getting bashed cause I'm tipsy  
Gotta call me uncle Big Merv to come get me  
You can find me out the front, fighting every cunt  
Off my head and half drunk  
I lit the cigarette butts  
I never went to school so I can't talk much  
But please white fella spare a dollar for the bus

Last week we mobbed some asian kid  
And took all that cunts dardy shit  
Went to Cash Converters hocked it in  
Come home two blocks and half a stick  
3 beers, 1 smoke each for the kids  
So now we filthy fuckin rich
