"Foot Stomping"

Visit "[Foot Stomping](#)" on MotoLyrics.com

Everybody young & old
Learn how to rock & roll
Listen, here's something new
Everybody's lookin' to

CHORUS:
Foot stompin' (x10)
With each other

You're wondering how to dance
Only dance & listen
Listen to the jerkin' beat
Shake your head & stomp your feet

(chorus)

Even just the other day
Taught it to my sister May
Fat-legged Mr. Blue
Can do the foot stompin' too

(chorus)
(instrumental)

Meet me at the dance hall
We're gonna have a ball
Sure cue, 4 thorn
4 thorn, 3 thorn

(chorus)

Foot stompin', foot stompin'
With each other
