Two divided by love can only be one  
And one is a lonely number  
Two divide by love can only be sad  
Can only hurt one another, baby

Every night your tears come down  
And I know how you're feeling inside  
Loneliness is no ones friend  
And I've been taking the same kind of ride  
And it just shouldn't be if you're still lovin' me  
Come on baby

Two divided by love can only be one  
And one is a lonely number  
Two divided by love can only be sad  
Can only hurt one another

I'd be lying to myself  
If I said I was getting along  
All I do is think of you  
And I know it is here you belong  
Come on girl make your way  
We can start from today--comin' back together cause

Two divided by love can only be one  
And one is a lonely number  
Two divided by love can only be sad  
Can only hurt one another

Take away the rain from a flower  
And the flower just can't grow  
Take away your love from me girl  
And out of my mind I slowly go  
Out of my mind I slowly go

Two divided by love can only be sad  
Can only be brokenhearted  
Two divided and blue  
Should take what they had  
And go back to where they started

Two divided by love can only be one  
And one is a lonely number  
Two divide by love can only be sad
