"Surrender"

You know what's right
I know what's wrong
You read the signs
I run them all... you know
You know oh oh

You always give
I always take
Now what's the use
Of second rate... I know
I know oh

Surrender,
Surrender your pride
Surrender your mind
Surrender oh oh, oh oh, oh oh
Surrender
A narrow divide
A comfortable line
Surrender oh oh, oh oh, oh oh, oh oh

I watch the night
You watch it glow
I watch my fears
Your watch them grow and grow...
I know oh

Morning Light
And Morning Sun
Stretching out
To reach the one I know...
I know oh

Surrender,
Surrender your pride
Surrender your mind
Surrender oh oh, oh oh, oh oh
Surrender
A narrow divide
A comfortable line
Surrender oh oh, oh oh, oh oh
