You said you was hurtin', almost lost your mind;
'cause the man you love, hurts you all the time.
But when things go wrong, wrong with you... it hurts me
too.

You love him a little more, when you ought to love him
less.
Why pick up behind him and take his best?
'cause when things go wrong, wrong with you... it hurts
me too.

You love another man; oh, but I love you
But you love him darlin', stick to him just about like
glue.
But when things go wrong, wrong with you... it hurts me
too.

Well, he better leave you, or you best put him down.
'cause you know, I just can't stand to see, see you
pushed around.
'cause when things go wrong, wrong with you... it hurts
me too.
