Can't get over losing you, And so I'm tired. I just can't get over losing you. And so I can't get over losing you. I just can't get, Can't get over losing you. Can't get, I just Can't get over losing you. And I just And I don't care! What I'm missing is you, You… Can't get over losing you,

And so I'm tired. I just can't get over losing you. And so I can't get over losing you. I just can't get, Can't get over losing you. Can't get, I just Can't get over losing you. And I Just Can't get over losing you, And so I'm tired. I just can't get over losing you. And so I can't get over losing you. I just can't get, Can't get over losing you. Can't get, I just Can't get over losing you. And I Just Can't get….

I lost the count now of how many letters, I've wrote from here. And I lost the count now of how many days, I've been away from home. I remember the time that you asked me, What was right or wrong And I don't care, What I'm missing is you.

You Can't get….

I lost the count now of how many letters,
I've wrote from here.

And I lost the count now of how many days,
I've been away from home.
I remember the time that you asked me,
What was right or wrong
And I don't care,
What I'm missing is you.
You
Can't get
