chorus)

Cause all that I want is a Silicon Girl,  
So come into my Silicon World,  
Cause all that I want is a Silicon Girl,  
So come into my Silicon, Silicon World,  
Cause all that I want is a Silicon Girl,  
With Silicon Lips and Silicon Hair,  
Sha la la, la la la you're my Silicon Girl,  
So come into my Silicon World.

I was Flying with my mind,  
I was trying to see,  
How this world it could have been,  
Without you,  
Silicon big trees,  
In this world of dreams,  
All of this and so much more.

I was Flying with my mind,  
Looking around me,  
And I see there's no more room in my human thoughts,  
In the Internet,  
Everything I get,  
And the plastic dreams of what?

(repeat chorus 2x)

I was Flying with my mind,  
I was trying to see,  
How this world it could have been,  
Without you,  
Silicon big trees,  
In this world of dreams,  
All of this and so much more.

I was Flying with my mind,  
Looking around me,  
And I see there's no more room in my human thoughts,  
In the Internet,  
Everything I get,  
And the plastic dreams of what?

(repeat chorus 2x)

Cause all that I want is a Silicon World...

Cause all that I want is a Silicon World...

(repeat chorus 2x)

Cause all that I want is a silicon world
