Hear the call - Line up your mothers
We'll take them skanks on a ride
Me and my two wretched brothers
We're gonna stretch their holes wide

Since, I came down MILF-fever
I can't dispute the urge
I'm lusting after hairy beaver
It's time to take to search

Popping anal cherries
Picking dingleberries

I met this bitch her name was Mona
A horny double D-cup
Her cunt was dry like Arizona
I had to lube that thing up

Poked her with my fist
Up until the wrist
