Don't tell me your troubles
I got troubles of my own
Don' t tell me your troubles
Just a leave me alone

Leave me alone
Go on home
Tell it to a friend
I got troubles of my own

You say your sweet love left you
Whatca think about me
I got them same old heartaches
Same old misery

Leave me alone
Go on home
Tell it to a friend
I got troubles of my own

It happens to the best of us
That's a what they always say
Take it baby like a man
Don't through it away

You tell that's she's no good
She's as mean as she can be
It's written all over your lonesome face
And any heartbrake fool can see

Leave me alone
Go on home
Tell it to a friend
I got troubles of my own
Troubles of my own

It happens to the best of us
That's a what they always say
Take it baby like a man
Don't through it away

You tell that's she's no good
She's as mean as she can be
It's written all over your lonesome face
And any heartbrake fool can see

Leave me alone
Go on home
Tell it to a friend
I got troubles of my own
Troubles of my own
