"Obsolete Scars"

Icons embodied in flesh - that bleeds and we nail
Another constant frequency, bowed down by the
abstraction

SILENCE - BUT ANOTHER WAR IN HELL
MARTYRIUM - GROTESQUE BLOOD OF MEN
ICONS - STILL PATHETIC SCARS

Sip of the cursed azure blood, the serum of human
mourn
Entwined - astral hands, embodied in flesh

SILENCE - BUT ANOTHER WAR IN HELL
MARTYRIUM - GROTESQUE BLOOD OF MEN
ICONS - STILL PATHETIC SCARS

SILENCE - BUT ANOTHER WAR IN HELL
MARTYRIUM - GROTESQUE BLOOD OF MEN
ICONS - STILL PATHETIC SCARS

DEMONIC
Bowed down, degeneration,
Essence of hate, slaughtered progress
