Happy Man  
The Greg Kihn Band

I do not ask for much  
Something real that I can touch  
Someone there late at night  
Someone there to hold me tight

You know I understand  
Just what it takes  
To be a happy man

Im gonna be a happy man  
Just you and me while we still can  
Theres nothing that we cant do  
Me and you, a happy man

Some people need a lot  
Others want what they havent got  
I need just what it takes  
Thats when the tension breaks

Ill be just what I am  
Oh, oh, oh  
A happy man

Im gonna be a happy man  
Just you and me while we still can  
Theres nothing that we cant do  
Me and you, a happy man

(Solo)

Im gonna be a happy man  
Just you and me while we still can  
Theres nothing that we cant do  
Me and you, a happy man

Im gonna be a happy man  
Just you and me while we still can  
Theres nothing that we cant do

Me and you, a happy man

A happy man

A happy man

A happy man

Im gonna be, Im gonna be

A happy man (Repeat both lines 3x or 4x while fading)
