

## Pupil "Beautiful Machine"

Visit "[Beautiful Machine](#)" on MotoLyrics.com

They caught you in the pages  
Of an empty magazine  
Your wires all exposed  
Like a beautiful machine  
LED's aglow, buttons in a row  
We seek umbilical disguises  
On the screen (and they sayÂ...)

Turn in on, do me in  
Turn me on, do me in  
Turn in on, do me in

Don't stop, do it again, go use it  
Jumpstart, do it again, don't lose it  
Dominion is over now  
So why're you're riding on a cheapskate  
Through all the circuitry  
I find a face

Flip-flop cruises blow your mind  
Trip-hop sutures they rewind  
It's alright  
It's alright  
We love to dream  
In black and white

Don't lose it  
Go use it  
Just do it again  
Again, again, again  
Unicorn (4x)

And all the frequencies are open tonight  
It isn't gonna let us out of it's sight  
And I just know we're gonna make it alright  
'Cause you're beautiful  
BeautifulÂ...
