There is no escaping
There is no replacing
All that you hold
All that you hold

I could not believe
the things you said to me
But i can't let you go
No i can't let you go

So,turn off the lights now
Turn off the light now
Turn off the lights now
Turn off the lights now

Turn off the lights now
Turn off the lights now
Turn off the lights now
Turn off the lihts now

Disco-nnection notice,Disco-nnection notice
Dressed so swell
They're dancing
At the gate of hell

'Cause there's nowhere to go
there's nowhere to go
Free the press from moldy
Hypocrites and crackhead

Haven't you heard
There's more truth in turd
So turn off the lights now
Turn off the lights now
Turn off the lights now
Turn off the lights now
turn off the lights now
Turn off the lights now

Turn off the lights now
Turn off the lights now
Disco-nnection notice,Disco-necction notice
