She got head with the buzz now  
She got mud on her shoes now

Every day is a losing battle  
Against time

[Refrain]  
Every way you know it's gonna get tighter  
So be mine, mine

[Chorus]  
Hey, what you up to now?  
I'm gonna crawl back to you somehow  
Coz you and I we're always gonna be  
The low end

We got hold of the truth now  
We got the technical know how  
Every day is a losing battle agaisnt time

(Repeat refrain)  
(Repeat chorus)
