You could be making the grade
You could be making the grade
Don't let your memory fade
Stop cramming when the meter starts running

[Chorus]
Here kitty, kitty
You're looking so pretty
But I ain't got time to know
Who's coming tonight
I repeat, complete the equation
You plus me is a sure bet
Don't you know it's good to be the
Teacher's pet

When I saw you lurching
Like a sea urchin
I knew I had to make good
Like a good boy should
'Cause you got me thinkin'
You got me thinkin'

You are a natural selection
A full-proof rule without exception
Let me indoctrinate you
While you indoctrinate me

On the ways of the world
You are my favorite girl

(Repeat Chorus)
Teacher's pet
Teacher's pet

You could be making the grade
We're jamming
Gonna hit the ground running

Here kitty, kitty
You're looking so pretty
But I ain't got time to know
Who's coming tonight

I repeat, complete the equation
You plus me is a sure bet
Don't you know it's good to be the

Here kitty, kitty
You're looking so pretty
But I ain't got time to know
Who's coming tonight
I repeat, complete the equation
You plus me is a sure bet
Don't you know
Don't you know
Who's coming (6x)
Don't you know it's good to be the
Teacher's pet
Teacher's pet
Teacher's pet
Teacher's pet
