.....(music).....

Give it out (4x)  
give it away, give it away  
give it out (2x)  
give it away,  
today (9x), yeah yeah yeah.

Perhaps we're on own way,  
perhaps we've gone too far,  
perhaps we should slow down,  
be where we really are, really are, yeah.

Today, today,  
if you believe that there is no other way,  
trying living, today today,  
little by little in your own way.

Today,  
little by little,  
trying living today, today, little by little,  
we're in today today,  
if you believe that there is no other way,  
trying living today, today, little by little,  
you're on your own way,  
perhaps we're on own way,  
perhaps we've gone too far,  
perhaps we should slow down,  
be where we really are,  
where we really are, ohh,  
where we really are,  
today, today, trying living today, today,  
today,  
little by little,  
trying living today today, little by little,  
be where we really are,  
little by little,  
today, today,  
...be where we really are...
