There's somethin' that I know I shoulda told u
Somethin' that's growin' every day
Whether or not
I say it a lot
I'm down with u in every single way
Gonna be days when u are lonely
And people will say they got no time
When ur alone
Call me on the phone
Baby, u always got mine

And when the wind blows
Baby don't cry just remember my words

Chorus:
Bably luv
Gentle as raindrops fallin' in June
Pretty as sunshine and flowers that bloom
Bably luv
Long as ur happy, I'm happy 2
It's a delight
Ur in my life
Baby luv, baby luv
U got a glow that just surrounds u
When I'm with u I'm shining bright
Honey it's true
I love the way u do
And I cud tell u every night
Ur so lovely when ur laughin'
It makes my day to see us smile
Didn't u know
When u play in the snow
U set my winter on fire

And when the wind blows
Baby don't cry just remember my words

Baby love
Gentle as raindrops fallin' in June
Pretty as sunshine
And flowers in bloom

Baby luv
Long as ur happy, I'm happy 2
It's a delight
God gave u life
Baby luv

Ooh baby,luv, baby,baby

Chorus
