We get on it

Chorus

We get on it All on top of it  
So you better watch it when you see us puppets get

Ryno

Gettin' Gettin' Gettin' comin' in Ryno one ton -you be  
Sinkin' My big feet steppin' up on the floorearthquake  
Makertrack carnivore taking all you gotincluding your  
Front doorneighbors on your block be thinking you  
Turned jokefrom the way that I rolling in like a  
Patrollooking at you one time making you chokethat's  
RightI ain't alonegotta whole herd cruising in my  
Zonewhenever somethings up they quick to back me  
upone  
Touch you flushed down ?whoosh Little tadpole don't  
be  
Foolish came to show you how it's done let me do this  
Use this as a lesson of how drastic masters get when  
You testin'

Wizard:

Smelly smelly when we filling our belly  
With the shit that you flush down  
You don't wanna fuck with puppets  
But I'm telling you you really should smell our style  
Yeah we get on it but to be honest  
The thing that really really makes me smile  
Is that my sneakerboot lackeys in track suits  
Actually be cleaning my shit up after me--wow!

Squidrick, yeah! we flown it in  
Fresh from the Caribbean  
When squids on the mic  
No good phoning him or slipping whim  
Like as if it hadn't occurred to me i-m the best  
Bottom of the sea waistcoat  
430 weight stone  
Giant squid spray folks with

Play foam and disappearing ink  
Disappearing stink  
The brink of extinction  
What-s the link?  
Whose the informer?  
C.I.a snitches s.e.a reporters  
Fail to put me in jail on a daily basis  
That's cos all I do is spit but  
They fail to see the traces  
I leave behind, put me behind bars  
While i-m spitting scarred lines  
My rhymes my crew p unit how we do how we spew
