Well I've never been much for admitting things, that's  
why it's all so hard to say  
That I'm head over heels in love with your kind of  
insanity  
And if it please your highness on a sunny day  
sometime  
Can I take your picture in the park with silk and satin  
on?

Star Baby  
Flashy little shiny little two-timin' mama  
Star Baby  
Shiny little flashy little lovin' machine

I've never been much good at keepin' a secret, now it's  
easy for me to say  
That I'm head over heels shook up about the way that  
you fooled me  
And if it please your highness on a sunny day  
sometime  
Can you take me ridin', babe, I'll tell you what I'm  
thinkin' 'bout you

Star Baby  
Flashy little shiny little two-timin' mama  
Star Baby  
Flashy little shiny little lovin' machine

Well I saw you last night on a Hollywood show and now  
it's easy for me to say  
That I'm head over heels shook up about the way that  
you sang to me  
And if it please your highness on a sunny day  
sometime  
Can you take me drivin', maybe kissin' in your Cadillac?

Star Baby  
Flashy little shiny little two-timin' mama  
Star Baby  
Flashy little shiny little lovin' machine...
