"Sex & Candy"

Hangin' round downtown by myself
And I had so much time
To sit and think about myself
And then there she was
Like double cherry pie
Yeah there she was
Like disco superfly
I smell sex and candy here
Who's that lounging in my chair
Who's that casting devious stares
In my direction
Mama this surely is a dream

Hangin' round downtown by myself
And I had too much caffeine
And I was thinkin' 'bout myself
And then there she was
In double platform suede
Yeah there she was
Like disco lemonade
I smell sex and candy here
Who's that lounging in my chair
Who's that casting devious stares
In my direction
Mama this surely is a dream
Mama this surely is a dream
Yeah mama this must be my dream
