She did not want to drive

She did not want to fly

She did not want to wait

For a bus to come by

She did not want to hassle

She did not want to hurry

She didn? want to know

What is cost, don? worry

Chorus

Baby took a limo to Memphis

Seemed like the thing to do

Baby took a limo to Memphis

She did it ?ause she wanted to

She was not lookin□back

She was lookin□good

She was not in the mood

To be knockin□on wood

She knows what she wants

She knows how to get it

She knows what it takes

Just do it, don? regret it

The shortest distance between two towns
Is ridin' in a limo with the windows down
Don't ask why she's goin'
She might let you know
Don't ask when she's comin' back
'cause she don't know
Don't let her fool you
She's nobody's fool
She knows what's tacky
She knows what's cool
