He was a famous trumpet man from out Chicago way  
He had a boogie style that no one else could play  
He was the top man at his craft  
But then his number came up then he was gone with  
the draft

He's in the army now, a-blowin' reveille  
He's the boogie woogie bugle boy of company B

They made him blow a bugle for his Uncle Sam  
It really brought him down because he could not jam  
The captain seemed to understand  
Because the next day the cap' went out and drafted a  
band

And now the company jumps when he plays reveille  
He's the boogie woogie bugle boy of company B

A-toot, a-toot, a-toot-diddelyada-toot  
He blows it eight to the bar in boogie rhythm  
He can't blow a note unless  
The bass and guitar is playin' with him

And the company jumps when he plays reveille  
He's the boogie woogie bugle boy of company B

He was our boogie woogie bugle boy of company B  
And when he played boogie woogie bugle  
He was busy as a bzzz bee

And when he played he made  
The company jump an eight to the bar  
He's the boogie woogie bugle boy of company B

Toot-toot-toot, toot-diddelyada, toot-diddelyada  
Toot, toot, he blows it eight to the bar  
He can't blow a note if the bass and guitar isn't with  
him

And the company jumps when he plays reveille  
He's the boogie woogie bugle boy of company B

He was our boogie woogie bugle boy of company B  
And when he played boogie woogie bugle  
He was busy as a bzzz bee

And when he played he made  
The company jump an eight to the bar  
He's the boogie woogie bugle boy of company B

Toot-toot-toot, toot-diddelyada, toot-diddelyada  
Toot, toot, he blows it eight to the bar  
He can't blow a note if the bass and guitar isn't with  
him

And the company jumps when he plays reveille  
He's the boogie woogie bugle boy of company B
