Stephanie: The french are glad to die for love
Marcella: They delight in fighting jewels
Kate: But I prefer and man who lives
Ang gives expensive jewels

Altogether: A kiss on the hand might be quite
continental
With Diamond's are a girl's best friend
A kiss might be grand but it won't pay the ressell on
your human flat
Or we'll help you at the automatic men who call when
girls go on
And we all lose our charms in the end.

But square shakes our card shapes, these rocks don't
lose their shape
Diamond Are A Girl's Best Friend

Tiffany's!

Cassea!

Kate: "Hello Harry Winston, Tell me all about it"
Altogether: But Diamond's
Are A Girl's Best Friend
