My life was hard  
And going to school  
And now I'm gonna start  
From where iv started  
I know I'm not gonna be a fool

I'm gonna start my streetlife  
Not gonna start  
I promise it wont be hard

Haven't done this  
Since last year  
Now the minutes of my life  
Are gonna appear  
Don't worry my heart is like  
Steal

I'm gonna start my streetlife  
Right now  
I'm gonna show you how

The kids that iv had trouble with  
When I was in school  
Are jelouse of me  
So now they finally see  
That I'm famous and now I don't even  
Mention there name

I'm gonna start my streetlife  
Not gonna start  
I promise it wont be hard

My life was hard  
But now I'm gonna make up  
For it now  
I remmber papa smokin  
On the pipe now I'm gonna start  
My Streetlife!

I'm gonna start my streetlife  
Right now

I'm gonna show you how

I'm gonna start my streetlife  
Not gonna start  
I promise it wont be hard

I'm ready for my streetlife  
It's gonna start now  
I'm gonna show you how  
Oh no no no  
Oh no no no  
Ooh no  
(My streetlife)
