Out on Wiley, windy moors  
We'd roll and fall in green  
You had a temper like my jealousy  
Too hot, too greedy

How could you leave me?  
When I needed to possess you  
I hated you, loved you too

Bad dreams in the night  
They told me I was going to lose the fight  
Leave behind my wuthering, wuthering  
Wuthering, wuthering, wuthering heights

Heathcliff, don't you know that it's me?  
It's Cathy, now come home  
So cold, let me in of your window

Heathcliff, don't you know that it's me?  
It's Cathy, now come home  
So cold, let me in of your window

Ooh, it gets dark, it gets lonely  
On the other side from you  
I pine, I pine a lot, I find a lot  
Falls through without you

I'm coming back, love  
Cruel Heathcliff  
My one dream, my only master

Too long I roam in the night  
I'm coming back to his side to put it right  
Leave me, hon', my wuthering, wuthering  
Wuthering heights

Heathcliff, don't you know that it's me?  
It's Cathy, now come home  
So cold, let me in of your window

Heathcliff, don't you know that it's me?  
It's Cathy, now come home

So cold, let me in of your window

Ooh, let me have it, let me grab your soul away  
Ooh, let me have it, let me grab your soul away  
You know it's me, yeah, you know it's me, Cathy's

Heathcliff, don't you know that it's me?  
It's Cathy, now come home  
So cold, let me in of your window

Heathcliff, don't you know that it's me?  
It's Cathy, now come home  
So cold, let me in of your window

Let me in of your window  
Let me in of your window  
Let me in of your window  
Let me in of your window
