That's right my name is Danny Boy
And I like to drink at night.
I go down to the barbwire
And I buy myself a pint or three

I like to go out drinking
Cause beer it is my life.
Until I come home and lay eyes upon my darling wife
Saying oh Danny wont you go home earlier tonight
Your daughter doesn't know you
Your giving us fright
When you say.

Say somethings wrong with anyone whos not like me
With you the violence just comes so easily
You never learn I have to teach you constantly
With you the violence just comes
Hush now

You know my name is Danny Boy
And I'll buy another round
Then off to the market
When this place closes down
Cause I say drinkings always done when the suns up in
the sky
The sun is always up so early it's your turn to buy

And I said oh Danny wont you go home earlier tonight
Your son he doesn't know you
Your giving us a fright
When you say

Say somethings wrong with anyone whos not like me
With you the violence just comes so easily
You never learn
I have to teach you constantly
Hush now

Hush now

Hush now
