My girl is hotter than your girl  
You know it, you know it  
My ride is sweeter than your ride  
You know it, you know it  
Don't ya wish U were us? (Us)  
Don't ya wish U were us? (Us)

You know we own this party  
You know we run this town  
I'm about to steal your girlfriend  
I'm about to knock you down  
Sorry, but your train has left the station  
Maybe you should try a permanent vacation  
Never really got an invitation did ya? Did ya?

Hey! What? Don't ya wish U were us?  
Hey! What? Don't ya wish you could rock?  
You're M.I.A., we're V.I.P.  
You're L.O.L., we're B-I-G.  
No one really likes you that much  
Don't ya wish U were us?  
Yeah! Don't you wish U were us?

Yeah, I score in every game now  
You know it, you know it  
You ride the pine for nine now  
You blew it, you blew it  
Don't ya wish U were us? (Us)  
Don't ya wish U were us? (Us)

You know we rule this beach, yo  
We kick sand in your face  
We're gonna crash your birthday  
And eat up all your cake

Sorry, but your train has left the station  
Maybe you should try a permanent vacation  
You're a member of the loser nation  
Loser, Loser

Hey! What? Don't ya wish U were us?

Hey! What? Don't ya wish you could rock?  
You're M.I.A., we're V.I.P.  
You're L.O.L., we're B-I-G.  
No one really likes you that much  
Don't ya wish U were us?  
Yeah! Don't you wish U were us?

Now all the pretty girls are waiting  
To get their picture taken  
With the crush  
Don't ya wish U were us?  
Yeah, don't ya wish U were us?  
Well, don't ya?

Hey! What? Don't ya wish U were us?  
Hey! What? Don't ya wish you could rock?  
You're M.I.A., we're V.I.P.  
You're L.O.L., we're B-I-G.  
No one really likes you that much  
Don't ya wish U were us?  
Yeah! Don't you wish U were us?
