I can't pretend to know how you feel,
But know that I'm here, know that I'm real,

Say what you want, or don't talk at all,

Not gonna let you fall

Reach for my hand,
Cause it's held out for you,
My shoulders are small,
But you can cry on them too,
Everything changes, but one thing
Is true, understand,
We'll always be more than a band
Yeah...

You used to brave the world all on your own,
Now we won't let you go, go it alone

Be who you want to be, always stand tall

Not gonna let you fall,

Reach for my hand,
Cause it's held out for you,
My shoulders are small,
But you can cry on them too,
Everything changes, but one thing
Is true, understand,
We'll always be more than a band

I never knew you could take me so far,
I've always wanted the hope that you
Are the ones...

Always be more than...

I need...

Reach for my hand,
Cause it's held out for you,

My shoulders are small,
But you can cry on them too,
Everything changes, but one thing
Is true, understand,
We'll always be more than a band

Reach for my hand,
Cause it's held out for you,
My shoulders are strong,
But you can cry on them too,
Everything changes, but one thing
Is true, understand,
We'll always be more than a band
